

CLS 900

Clean Label Emulsifier and Softener

Harness
the power of
natural, Non-
GMO, emulsifiers
with enzymatic
softeners.

Providing improved crumb structure, volume, and exceptional softness, CLS 900 is ideal for all types of soft rolls, buns, pan breads, sweet doughs, and cookies.

- Clean Label - Natural Ingredients
- Non-GMO
- No Preservatives
- Powdered Blend offers Less Mess and Waste Compared to Conventional Hydrated Emulsifiers
- Ideal Replacement for Softening Emulsifiers like Polysorbates and Monoglycerides
- Exceptional Softness in all Yeast-Raised Products
